# CREATE YOUR OFFICIAL MERCHANDISING

Akinda allows you to customize scarves, hats, mugs and many other articles with your club's colours and logo and sell them

## High quality articles with no investment

Only made in Italy products customized with your club's colours and logo. And for the first time, no required investment.

## A customized and totally free shop

Cardholders and fans will be able to customize the articles with their own name and sticker, and purchase them on the customized online shop: If your club hasn't set it up yet, Akinda sets it up for you. At no cost!

## Royalties in products for you

We guarantee product royalties equal to 20% of the annual income.
